## School Etiquette

Common sense, courtesy, and respect should always guide your conduct regardless of where you are. Remember, your example represents your instructors, your club, the myBJJ organisation, and the martial art!

### Within the Training Centre

1. Ensure your training fees are up-to-date. If there's a problem it's *your* responsibility to let us know!
2. Parents are responsible for their children and must ensure they are well-behaved and non-disruptive. Parents should not leave their children unattended without permission from the instructor.
3. Always be respectful of others, *including* those of lower rank. Make guests and visitors feel welcome!
4. Foul language, bullying, and theft are not tolerated in this school.
5. Mobile phones should be switched off or set to silent during class times.
6. Ask the instructor for permission *before* coaching your children or other students from the side of the mat.
7. Don't train unless you are in the right headspace and physically able. i.e. "cool, calm, and collected"; free of serious injury; neither sick nor infectious; and never under the influence of drugs or alcohol.
8. Keep your facilities tidy. If you make a mess, clean it up. Don't leave your dirty cups for your instructors to wash!
9. No loitering in the corridor or back rooms (i.e. they are only for changing or using the toilets)
10. Change into your gi in the change rooms at the gym, please do not arrive at the gym in your gi.

### Safety, Security, & Hygiene

11. Keep your feet clean. Dirty, smelly feet are not allowed on the mat!
12. Keep fingernails and toe nails short.
13. Remove all watches, jewellery, piercings, and necklaces. Put them in a safe place e.g. the window sill.
14. A washed clean uniform is required for each session. Keep your uniform clean and in good repair at all times. A dirty uniform is a sign of disrespect.
15. For security reasons, don't leave your valuables in the changing room.

### On the Mat

17. Wear jandals, and never wear shoes on any of the mats. Leave dirty footwear in the foyer.
18. No food on any of the mats at any time. Use non-spill sipper bottles for drinks other than water.
19. Ensure you are changed and ready on the mat before the scheduled start time. If you arrive late, wait on the sideline for permission from the instructor before joining the class.
20. Bow towards the centre of the mat whenever you join or leave the mat.
21. Black-belt instructors are addressed as "Professor". Non-black belt instructors are referred to as "Coaches".
22. Wear your correct belt at all times – it represents your progress.
23. Classes begin and end with formal bowing. Students should line up in ranks of descending grades. Go to the back of the class: if you aren't in a gi; are wearing an incomplete uniform; or the ranks have already formed.
24. Bow and shake hands with your training partner before and after practice.
25. Keep it safe, friendly, and relaxed. You don't need competition level intensity for regular classes!
26. Students should stand or sit attentively and with respectful posture *and* listen whenever the instructor is demonstrating techniques.
27. Never disrupt the class by causing a disturbance. Talking should be kept to a minimum level and should be related to the subject of the lesson. Disruptive or inattentive children will be asked to leave the mat.
28. Inform the instructor before class if you need to finish early.
29. After class, take all of your belongings with you. Don't forget to take your drink bottle or wash your cup!
